

Mildura Specialist School

CLASS PLACEMENT POLICY

PURPOSE

To explain to our school community how we manage requests for class placements, for the following school year.

POLICY

The process that Mildura Specialist School works through to plan each student's class placement begins months before the end of the school year. We understand that in certain situations, parents and carers may like to request that their child be placed in a particular class.

Requests for placement in particular class or with certain teachers

All teachers at Mildura Specialist School are caring and committed educators and Mildura Specialist School strives to ensure that all students are provided with a high quality education.

Whilst we appreciate that you may wish that your child would benefit from being placed in a class with a particular teacher, we are generally unable to accommodate these requests. Our school's leadership team has an in-depth understanding of each teacher's strengths and will always endeavour to place our students with teachers who are best placed to suit their needs. We do not re-allocate students to different classes during the school year, unless exceptional circumstances arise. Parents will be advised of the situation if it arises.
